Dear Sir:

While proofreading the above identified patent for accuracy in the printing thereof, several typographical errors were noted.

Since these errors do not affect the scope of protection afforded by the claims of the patent, applicant is not filing a request for Certificate of Correction.

However, applicant requests that these errors, as set forth below, be made record of in the file wrapper for the application and patent:

Column 12, line 62 "strips" should be --strip--;

Column 13, line 19, "metal foil said area" should be --metal foil area--;

Column 14, line 62, "strips" should be --strip--.

Very truly yours,

Thomas R. Vigil
